

The Following are the Modifications and Additions to the Bylaws and Rules as adopted by the MSL BOARD on March 1, 2011 (effective immediately)

Adding the following subdivision to Rule 3:

Rule 3(c). During the MSL Season (as determined by the MSL Board pursuant to the MSL Bylaws), no member of any MSL Team's coaching staff (whether compensated or volunteer) shall coach, train, or otherwise instruct any MSL Swimmers or other swimmers on behalf of any competitive swim team or other organization other than their MSL Team. This rule shall not preclude a member of the coaching staff from coaching a high school swim team, college swim team, swim camps, Masters swim team, or water sports other than swimming, including without limitation water polo or diving.

Modifying Rule 3b [deletions delineated by strikethrough and additions by underline]:

3a. In-Season Workout: A person is ineligible to swim in any Marin Swim League (MSL) Meet (Dual, All-Star, Championship) if that person **either** practices with or competes as a member of any swimming entity other than a MSL Team or High School or College (subject to Rule 2) team after the last day of scheduled competition of the USS Far Western Championships or ~~May 1st~~ **the first MSL meet**, whichever comes first. High School swimmers are exempt from this rule and may practice, as a member of any swimming entity until their last high school competition is completed but not compete in an MSL Meet (unless Unattached). MSL Swimmers may swim unattached in competitions outside the MSL provided their MSL Team does not have a meet that day. MSL Swimmers may attend swim camps without jeopardizing their eligibility.

Modifying the Bylaws as follows [additions delineated by underline]:

The Marin Swim League is governed by the Dual Meet Rules in effect. Any changes of these rules must be completed between September 1 and March 15. Adoption of new rules or changes of these rules requires a two-third-majority vote of the Subscribing Members. **However, upon a three fourths vote of the subscribing members, the above deadlines to amend the rules may be suspended.**
